

NOBLE QUEST RIDE ALONG REGISTRATION

Noble Quest is a fund raising venture for the Kids Cancer Care Foundation which involves Sean, Ryan, Rob and Justin Noble riding motorcycles from Ushuaia, Argentina to Prudhoe Bay, Alaska. The ride will take place from May 6th to June 6th, 2007. They intend to break the current Guinness record for this ride which is currently set at 35 days. They are inviting others to Ride Along with them. Ride Along participants are encouraged to pursue a goal of \$1.00 in pledges for each kilometer they ride. (For our American friends that's \$1.60 per mile!)

The section of the ride from the Canadian Border at Coutts, Alberta to the City of Red Deer is particularly ideal for Ride Along participants. They can join the Nobles as they arrive at the Noble Quest Rally on June 2nd, 2007 at the Costco parking lot.

To register please complete and submit this form to: Noble Quest, 96 McLevin Crescent, Red Deer, AB, T4R 1S9.

Participants will voluntarily participate in the Noble Quest Ride Along. Participants will take part in this event based on their own assessment of their abilities. Routes will traverse roads and highways and Noble Quest is not responsible for the condition of these roads, and highways nor is Noble Quest responsible for the actions of the Ride Along participants. Regardless of state or provincial laws, Noble Quest urges participants to wear a helmet and other appropriate safety apparel. Noble Quest also urges participants to receive professional instructions before operating a motorcycle. Noble Quest does not provide medical insurance. Noble Quest urges participants not to operate a motorcycle without adequate medical coverage. If participants have any doubts about their personal ability to participate in this event, if they have not adequately prepared themselves and their equipment, if they question the condition of public highways, or if they believe their personal insurance coverage is not adequate to compensate them for any loss that may occur, Noble Quest urges them to not participate in this event. Noble Quest assumes no responsibility for the safety of the Ride Along participants.
